Dear Mr. Longo:

On behalf of our Fordham Psychology Association, I warmly thank you for your two workshops on November 20, on the application of hypnotherapy to alleviate problems. You could tell from students' comments how much your presentations influenced them. Attached are two photos for you. How unique it was when you adapted your induction for the students about to take their psychology examination. I join them in thanking you for your excellent presentation Mr. Longo, and wish you continued success.

Most sincerely,

Harold Takooshian, PhD
